

# 4-H Farm Photography Scavenger Hunt

Travel to a local farm business (or a few!) and see if you can answer these questions.

<p>How much does a bale of hay weigh?</p>	<p>How many pounds of water does a milking cow drink a day?</p>	<p>What time of year is maple syrup made?</p>
<p>What time of year do you harvest pumpkins?</p>	<p>How many different types of apples are grown in CT?</p>	<p>How often should a sheep be sheared?</p>
<p>What are three things that every plant needs to grow?</p>	<p>How many eggs does one chicken lay per day?</p>	<p>What do you call a baby goat?</p>
<p>What is one task a tractor can be used for?</p>	<p>What is a male pig called?</p>	<p>What is your favorite part of the farm?</p>
